## A Bigger Better NPS!

*We love our school extension here at Newcastle Primary. We have so many cool things to use, like the adventure playground and lots of kind teachers.*

*We were so pleased when we heard that we were finally getting a computer suite. It was brilliant news for Heather and Mrs McCann to be getting a new office too. We thought it would be really awesome to start again in P1 with the new foundation stage play area.*

*In the computer suite we have 12 brand new computers, but we love the green spinny chairs*

*the best! Only Joking! It is great to be able to go on the computers with the whole class.*
